

KASUN NADEERA

Software Engineering
Undergraduate

About Me

I am a passionate and dedicated Software Engineering undergraduate with a strong foundation in programming, web development, and software design. I enjoy solving real-world problems through code and continuously strive to learn new technologies. I am a fast learner, a good team player, and eager to gain practical experience through an internship that will help me grow as a future software engineer.

Skills:

Programming Concepts	90%
React.js	80%
MySQL	95%
Git, GitHub	80%
Problem Solving	90%

Education:

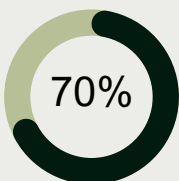

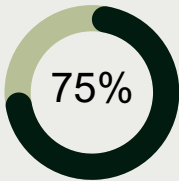

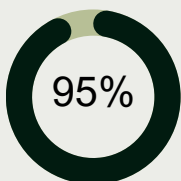

Bachelor of Science Honors in Software Engineering, University of Kelaniya
2024 April 22 to present

Language:

JavaScript

Java

Python

Projects

Library Management System (Java)

A console-based application for managing books, users, and transactions.

Portfolio Website (HTML/CSS/JavaScript)

Personal website showcasing skills and projects.
